*June 28, 2020*

*Programme*

Welcome and Introduction

Rev. Pamela

Welcome to "A Celebration of Life's Journey in Song". Today we gather to give thanks for all of life and in particular these familiar hymns and sacred texts of our faith. Through song and spoken word they will bring many memories, some filled with sorrow and many filled with great joy. This faith filled collection is a reminder that God journeys with us through all of life, in our sorrow, in our celebrations and especially in this time of pandemic. We invite you to sit back and enjoy. We especially thank you for your contributions. If you have not yet contributed, we invite you to continue to do so. Donations will continue to be accepted after this event is aired by contacting the church office by email or telephone.
